

Slater Marietta's Locally Sourced Market

Be a part of the Slater-Marietta's Community Association (SMCA) project to provide a locally sustained Market! SMCA is a nonprofit organization with a mission to enhance, engage, and represent our diverse community. A locally sourced and run Farmers Market serves that mission.

The Slater Marietta Farmers Market exists only with the support of the residents, businesses, and local partners. The SMCA continues to work diligently to find funding local supporters like yourself to aid in funding the Market's future.
